UP BY PG&E CONCERNING ITS OCTOBER 26 SUBMISSION

Case No. 14-CR-00175-WHA

1 I, [REDACTED], declare as follows:

2 1. I am the Manager of Meteorology Operations at Pacific Gas and Electric
3 Company ("PG&E"). In this role, I serve as the head of the meteorology department at PG&E. I
4 have worked in PG&E's meteorology department for over nine years in various roles and held
5 my current position since March 2019. I served as the Meteorologist-In-Chief during the
6 September 27, 2020 Public Safety Power Shutoff ("PSPS") event. This declaration is based on
7 my personal knowledge; records in the possession of PG&E that I have reviewed; PG&E's PSPS
8 and de-energization policies, procedures and records; and information known to me in my roles
9 as Principal Meteorologist and Meteorologist-In-Chief.

10 2. To my knowledge, the information contained in the Supplement to
11 PG&E's October 26, 2020 Submission and PG&E's responses to Questions 1-13 of PG&E's
12 Response to Request for Follow Up Concerning PG&E's October 26 Submission are true and
13 accurate based on my recollection and the records I have reviewed.

I declare under the penalty of perjury that the foregoing is true and correct and that I executed this declaration on November 18, 2020 in Dublin, California.
